CONTRACTING CO LTD

NELSON – New Zealand

Environmental Policy

TAYLORS Contracting Co Ltd is committed to the protection of the environment and will take all possible steps to limit adverse effects. This policy demonstrates our commitment.

In meeting this commitment management have implemented an Environmental Management System to ISO14001. Management will comply with all legislative requirements and take all practical steps to ensure all persons working for, or on behalf of the organisation:

1. Are provided with training and supervision to ensure that they all understand their responsibilities in the protection of the environment.
2. Comply with relative resource consents and directions of our clients, supervisors and representatives of the relevant local authorities.
3. Do not drain wetlands or contaminate the environment with any hazardous substance or material.
4. Establish and insist that environmentally safe work methods be practiced at all times.
5. Record data that allows management to monitor environmental impacts and engenders a team commitment for continual improvement and prevention of pollution.

Management will set objectives and targets in consultation with staff. They will be reviewed annually with the aim of achieving a continual improvement in performance.
